5. Add Employee from HR Dashboard

The screenshot shows the HR Portal - HR Dashboard. At the top, there are three summary cards: Total Employees (3), Pending Leave Requests (0), and Total Leave Requests (0). Below these is the 'Employee Management' section, which includes an 'Add New Employee' form and an 'Employee Directory' table. The 'Add New Employee' form has fields for Full Name (Amit), Email (amit@example.com), and Department (CS), with an 'Add Employee' button. The 'Employee Directory' table lists three employees: Vedaang Sharma (Engineering), Nidhi Sharma (Science), and Rahul (HR). Below this is the 'Leave Management' section, which shows 'Leave Requests (HR Review)' with a message 'No leave requests available.' The browser's address bar shows 'localhost:3000' and the Windows taskbar is visible at the bottom.
